

DONATION REQUEST

White River Nursery loves people-to-people connections and we believe that meeting neighbors and working towards common goals helps to develop strong communities. We are proud to support non-profit organizations in local communities through in-kind donations.

To apply for a donation, this application must be completely filled out and turned back into us 3-4 weeks prior to the date needed. Letters, brochures, and the like can accompany this application but they do not replace it. If you are a nonprofit, please provide your 501(c)3 ID # for tax purposes.

About 70% of donations are allocated for garden and community-related organizations, 20% to educational organizations and groups that support children and the remaining goes to other groups within our Northwest Arkansas community. The average donation is \$25 to allow us to help more organizations, typically in the form of a gift certificate to White River Nursery. Requests for donations of plants or products must be given special consideration. Please include request details in the additional comments section if you desire a different donation than the standard gift card.

Donations are limited to one time within the calendar year. A previous donation does not guarantee a donation will be offered again. By accepting a donation, you are giving us permission to publish your organization as a recipient of a donation. While we would love to be able to meet every request, we must focus our efforts on those that connect White River Nursery with our community.
